

# **GENIUS INTERNATIONAL PUBLIC SCHOOL**

## **ANNUAL REPORT- 2018**

Very warm good Afternoon to all present here to witness the celebration of auspicious occasion “Annual Day / prize giving function “ of 2018-19. This day is the celebration of wonderful achievements of our alumni, dear students studying at present in this school. The soul of today function is our students. A day to celebrate and remember the past achievements of our dear students, teachers and look forward to the journey ahead.

On behalf of our school I welcome **our Highly Hon’ble Chief Guest Dr. Vashir Khan,Block Development officer Balh, Distt. Mandi (H.P.). Respected Hon’ble Chairman’s of esteemed Abhilashi education Society, M.D. of AES Dr. Lalit Abhilashi , Principal of Abhilashi College of Edu. Dr. Narvada Abhilashi, Shri Sanjeev Abhilashi, Dr. Promila Abhilashi, Sh. Narender kumar (Secretary AES), Mrs Neelam Kaushal,** distinguished guests from dept. of Abhilashi group of institution, GIPS teachers, Respected Parents and dear students for gracing this special occasion by your kind presence and making this day memorable one.

It gives me great pleasure to welcome you all to the Annual Day and prize giving function, 2018-19.We are indeed grateful that you have taken out time from your busy schedule to be with us on this special day. We feel greatly honored by your presence. I can assure you that your presence here this day is a source of great motivation and encouragement to the entire school.

**At the outset, we pay homage to our Beloved Founder Late Shri Tulshi Ram Abhilashi** whose soul continues to guide and inspire us. Our school Motto “Every endeavor towards Nation Progress” is our guiding philosophy which propels us towards a meaningful future, the school is now making tremendous progress under the dynamic leadership of Dr.R.k Abhilashi Dr. Lalit Abhilashi and all member of Abhilashi Edu.Society.

**How swiftly and unnoticed time flies! One more year has been added to the glorious of GIPS.**

**Genius international has established as a premier school of learning providing need based quality education and producing doctors, Engineers and more who are contributing to nation progress.** I consider it my proud privilege to be associated with such a prestigious school and present a report on the school happening for the academic year 2018-19, but before I do that, I would like to dwell briefly on the changing times and the radical changes needed in the field of education.

We are living in times where the pace of events is fast indeed, so, fast in fact that today's latest becomes obsolete tomorrow. **Acc. To Alvin Toffler**—one of the greatest contemporary thinker and writer call it is 'The future Shock". Constant change are must. Life is a process of constant changes and all healthy communities for the future.

In educating today's children we cannot afford to lose sight of the fact that we must teach them to grapple with the problems of their generations, needs of their society and their nation.

The youth of today need to be readied for the global stage—a generation of young people who are thinker, inquirers, articulate and confident to take to the world stage and compete with the best brains in world. **This is exactly what we aim at doing at GIPS. We wish to make education at our school, a total experience where students slog for "A'S at academics participate in all school activities with enthusiasm including co- curricular, and sports activities to ensure their maximum mental health, physical fitness, and growth that is all-round development.**

We have our dreams, ambitions, and aspirations and to convert these into tangible realities if our goal. We know that we all have to work very hard for it, **but GIPS is raising to go "Ever forward and never to look back" is the spirit which we invoke to guide us throughout.**

**The happening at GIPS during the past and current year reflect on our this resolve.**

I know the principal's report is not very welcome interlude during the cultural Programme as our GIPS shining stars ready to spread light on us through their stunning performances they prepared for today function in spite and despite of load of academic classes, home work, class test on them. They did relentless efforts to prepare cultural items along with their untiring teachers to showcase their talent in front of all of us and in front of their parents to rejoice the function.

I have tried to trim it but excessive trimming of the school report is like presenting your score card after deducting some marks itself. We all know, presentation of the school report on its Annual Day is an enduring tradition to take time to pause, turn around to look at the fruit year gone by achieving both the expected and unexpected, while setting various miles stones and then synergizing ourselves to move ahead to face the challenges in the coming year with a positive attitude and as a team work.

**Now the Glimpse of what the GIPS did throughout the year, 2018 till now: -----**
